It is a **skyscraper**, one of the **most modern high-rise buildings in Poland** and one of the few buildings in the country with a triple-glazed all-glass facade. Construction of Olivia Star was completed in **2010**, it is **180 meters high** (156 meters is the highest point of the facade), which makes it the tallest building in the Tri-City and places it at the forefront of the **tallest buildings in Poland!**

From the top floor of the building you can see:

- the Gdansk Bay
- Orlowo Cliff in Gdynia
- the port in Gdynia
- the port in Gdansk
- the pier in Sopot
- the Hel Peninsula
- the Vistula Spit
- the Tri-City Landscape Park

When it comes to infrastructure, it is also at the **highest level** (simply unearthly!) For this reason, we will not have problems with streaming :)

The new **Silly Venture** party-place is another prestigious venue after the "Polsat Plus Arena Gdansk" stadium (2021), where we will celebrate another anniversary - and not just any one, because... it's the **50th anniversary of ATARI!** Such an event required an equally worthy setting :) No other party in the world has attempted such places - maybe because they seem completely unattainable :) (additionally they are not profitable, which is also a deterrent). Therefore, below I provide some information about **OLIVIA STAR**, which you often ask about and which **should be read by every participant of Silly Venture 2021 SE.**

PARKING:

On Friday from 7am - to at 5pm parking is paid. The first 30 minutes are free, the next 2 PLN. From 5pm onwards parking is free, Friday to Sunday :)

ENTRY TO PARTY-PLACE:

Each registered participant will receive an ID and a wristband that will allow him to go through Olivia Star gates at any time (entrance/exit). If anyone decides to participate in the summer edition of SV at the last moment (or during the event) they must contact the organizer directly on the phone number: +48 603 370 134 (Grey/Mystic Bytes). If he doesn't, he won't be able to enter the party.

OBSERVATION DECK:

Each participant with a wristband and SV ID has free access to the observation deck on the 32nd floor! (normally tickets are 22 PLN / person)

DURATION OF THE EVENT:

The event lasts from 7am on Friday until Sunday 2pm **NON-BREAKING** (all nights). For this time security protection is also provided - you can rest assured of the safety of the equipment you take with you.

OUTFIT:

Participants dress as they wish :) No, you don't have to wear a tie! :)

FOOD AND DRINKS:

There are three possibilities. The first is the "Vidokowka" Restaurant on the 32nd floor with an observation deck (with affordable prices, for example: pizza from 27 PLN to 48 PLN, regional beer Amber - from 14 to 16 PLN). You can order alcohol in small glasses, big glasses, bottles, etc...

The second option is to order food for PLN 83 / person, as in the second room next to SV there will be catering in the form of an open buffet (including lots of delicious things, including dessert!).

The third option is the "Open Bar", where after paying the selected amount (58, 87, 98, 116, 142 or 175 PLN) you can use without limits from various drinks (including alcohol - depending on the selected option: beer, wine, vodka, whiskey, etc.).

Details of the above options will be available soon!

If someone would like to take advantage of a different form of catering outside of the party place, for example, 650m away there are "McDonald's" and "Pizza Pasta & Basta". But please do not bring it to the SV.

WHAT'S IN THE TICKET PRICE:

Participation for 3 days in an amazing event, in an equally amazing place! There will be entries for sure in competitions for almost all Atari platforms - from **VCS**, to the **XL/XE** series, **ST/STe/TT**, **Lynx**, **Falcon**, **Jaguar**... as well as **other platforms** that will be a "guest" with us! :) In addition, concerts, an occasional artistic cake and many other attractions (including the previously mentioned observation deck on the 32nd floor for SV visitors for free!).
